THE GALLERY

The Gallery is the place where TAETS opened its doors in 2005 and is situated on the ground floor. The posh, light space with contemporary art is located directly on the North Sea Canal. The space is highly suited for receptions and cocktails, but also for dinners, network meetings or business presentations. With your own private outdoor patio, your guests can enjoy the sun and watch the ships pass by on one of the main transport canals of the Netherlands.

SERVICES

At TAETS, we understand that every event has unique requirements. That's why we offer a comprehensive range of services tailored to meet your specific needs. With our preferred partners and additional services, we have the capability to fully supply everything you need to make your event a resounding success. From catering to audiovisual equipment, we've got you covered. Trust us to deliver a seamless and memorable experience for your event.

AUDIO & VISUAL TECHNIQUE

Every event deserves flawless audio and visual execution. At TAETS, we have you covered with our state-of-the-art in-house screens, projectors, and Plug & Play systems. For more complex AV needs, we have partnered with a preferred AV supplier who specialises in creating customised packages created specifically for your event. Whether you are planning a conference with international streaming or a festival-style party with mesmerising visuals, our AV supplier will ensure that every moment is executed seamlessly. While we offer flexibility for you to bring in your own AV supplier for a small fee, we prioritise safety and require our AV supplier to handle rigging and hanging points.

CATERING

Exceptional catering is the cornerstone of an unforgettable event. At Taets Art and Event Park, we understand this importance and have partnered with preferred catering suppliers to ensure your culinary needs are met to the highest standards. Whether you envision an intimate gala dinner or a lively outdoor food festival, our flexible catering services can accommodate your every requirement. We also provide the option for you to bring in your own caterer for a small fee. With our unwavering commitment to providing exceptional service, you can rest assured that your catering needs will be taken care of, allowing you to focus on other aspects of your event.

SECURITY & SAFETY

Experience the utmost security and peace of mind for your event with our trusted partner for security and safety services. Our skilled and attentive security staff is well-versed in access control, crowd management, emergency response, and conflict resolution, ensuring a safe and secure environment for all attendees. Whether you're organising a high-profile political conference or hosting a vibrant festival-style party, our security partner will craft a customised package to ensure seamless execution and peace of mind throughout your event. Trust us to handle your complex security needs, allowing you to focus on delivering an extraordinary experience.

TRAFFIC & MOBILITY

We go above and beyond to ensure smooth traffic flow for your event. Our team not only controls traffic and redirects if necessary but also provides parking assistants to guide attendees to their designated parking spots, making use of the 600 free parking spaces on the terrain. If you require extra parking or shuttle services, we are happy to arrange these for you. With our expertise and attention to detail, you can trust that your event's traffic and parking needs will be seamlessly taken care of.

VENUE MANAGER

Our experienced Venue Manager will be your go-to person on the day of your event, ensuring everything runs smoothly from start to finish. They will handle the venue's opening and closing, coordinate with our preferred supplier (caterers, AV technicians, and facility staff), and address any inquiries you may have. With their expertise and years of experience, you can trust that your event will be a resounding success. We offer flexible hours to accommodate your specific requirements, and the final hours will be calculated at the end of the event and added to the final invoice.

OPERATIONAL STAFF

We understand that every event has unique needs and requirements. To ensure your event runs smoothly and professionally, we provide additional staff members such as hostesses, toilet attendants, and wardrobe staff. Our operational staff will ensure that all aspects of your event are managed efficiently, allowing you to focus on your guests and fully enjoy the occasion.

FURNITURE & RENTAL

Most venues include standard furniture in the rental package. However, we understand that each event has its own requirements. Therefore, we offer additional in-house furniture that you can rent. If you need more specific furniture or rentals, we collaborate with various suppliers who provide all sorts of materials you may require, such as tents and portable toilets. Our account managers are here to assist you and connect you with the appropriate supplier for any additional materials you might need to organise your event.

INTERNET

Stay connected throughout all our venues with our complimentary Wi-Fi (100 Mbit upload/download) available throughout the premises. We understand that certain events may require specific internet requirements, and our account managers are ready to assist you in selecting the upgrade options that best suit your needs. Whether you require faster speeds or increased bandwidth, we offer a range of upgrade possibilities to ensure your event runs smoothly.

EVENT STYLING

Decoration is key to setting the right tone for your event. While our caterers take care of basic styling such as flowers and buffet arrangements, we also offer additional decoration options to make your event truly stand out. Our AV supplier can provide a range of options, from lighting to projection, to create a captivating atmosphere. If you require an event stylist, our account managers are available to provide recommendations and guide you in finding the right stylist for your event.

BRANDING & SIGNAGE

At our venues, we offer a range of digital signage options to enhance your event experience. We understand that branding plays a critical role in creating a lasting impression, and so we offer a range of branding options to help you make a statement. Whether it's displaying your company logo or a custom message, we have the tools and expertise to bring your vision to life. Our account managers are always available to guide you through the branding options available, so you can select the option that best suits your needs.

ACCESSIBILITY

CAR

Conveniently located within a short distance from Amsterdam city center (approximately a 15-minute drive) and Schiphol Airport (just 15 minutes away), reaching TAETS by car is quick and effortless. Our venue enjoys excellent road connections, providing easy access for guests. Ample on-site parking spaces are available, ensuring a stress-free arrival and departure for your event.

PARKING

At Taets Art and Event Park, we offer approximately 600 free parking spaces across three lots on the Hembrug terrain. While these spaces are available for all visitors entering the Hembrug, we can arrange reserved parking for your event. If additional parking is needed, we have partnerships with nearby areas to accommodate your requirements.

PUBLIC TRANSPORT

TAETS offers excellent accessibility through various public transport options. Multiple convenient routes connect our venue to different areas. Whether you're traveling from Zaandam station or Amsterdam Central station, you'll find direct transportation options that make getting to TAETS hassle-free and convenient.

BIKE

For those who prefer an eco-friendly and active mode of transportation, biking to TAETS is a wonderful option. There are several scenic routes available, allowing you to immerse yourself in the picturesque surroundings while making your way to our venue.
